The information provided below by Lake Health is a comprehensive list of charges for each inpatient and outpatient service or item provided by our hospital, also known as a chargemaster. It is not a helpful tool for patients to comparison shop between hospitals or to estimate what health care services are going to cost them out of their own pocket. **For more information about the cost of your care, please contact our Financial Counselor staff at 440-602-6682.** *These prices are correct as of January 1, 2019
